Refurbished to new

Work done

- Facade refurbished
- Modernize the exterior look of the machine

- Exterior / interior painting completely redone

- Disassembly, complete cleaning, replacement of several used parts by new one and reassembly the machine perfectly

- Installation of a new compressor and the refrigeration system is completely refurbished

*Adding a guarantee equivalent to a new vending machine

SHOPPERTRON 431 BLUELINE

Our newly refurbished model is made to ensure a smooth operation from the beginning.

This is an excellent product offering good price value and a very good alternative to a new vending machine.
